

ST. CLAIR
COLLEGE

ALERTUS[®]

MOBILE APP INSTALLATION

The Alertus Recipient app can be downloaded from the Google Play store or the iOS App Store. On the Google play store it is called "Alertus" and on the App Store it is called "Alertus+" Links to the respective store pages are below:

Step 1) Use the below QR code to download Alertus Mobile App from the Apple or Google Play Store.

Step 2) Enter “**stclair**” when prompted for the organization code.

Step 3) Enter your **St. Clair College e-mail address** when prompted for an e-mail address. Also enter “**scc**” when prompted for PIN.

Step 4) Check your St. Clair College e-mail inbox for a verification e-mail; click the verify link within the message.

Step 5) Select the **E-mail Verified** button on the app to complete setup.

Step 6) You are now automatically subscribed to St. Clair College (All Campuses) alerts.
