2. A limited number of lockers are available; registering before school starts will improve your chance of getting a locker. If you are unable to get a locker, it is advisable to consider sharing a locker with a classmate or friend.
3. Locker numbers correspond to the floor on which they are located. (Locker numbers beginning with "0" are in the basement, locker numbers beginning with "1" are on the first floor, etc.). Locker maps are on the college website - www.stclaircollege.ca
4. There is a fee of \$15 per semester for the locker (lock provided).
5. Part-time, Con-Ed, and Adult Training students are not eligible for a locker under this system.

The Process...

Students are to register for lockers through student self-service. There is a **fee of \$15.00 per semester.**

You will be able to see all information about your locker (locker expiry, refund date, locker number, lock combination) anytime by logging into Student Self-Service and clicking "My Locker".

The Policy...

The assigned student is responsible for the locker and lock.

Students assigned lockers, who officially withdraw from the College within 10 school days from their start date, will be reimbursed the user fee.

No refunds will be given following this date.

The lockers and locks are the property of St. Clair College. *Locks are not to be removed and replaced with private locks.* Written graffiti, stickers, etc., constitute abuse of lockers and are not allowed.

You are expected to remove your personal belongings and leave the lock latched on the locker when the rental of the locker is expired or, when you finish school.

Contents left in lockers will be removed and stored for a period of 45 days. After this period, contents become the property of St. Clair College.

The College does not assume any responsibility for any lost or stolen items left in the lockers.
