### Private Lessons Information

Private lessons are designed for individuals who would like to have a more private and individualized swimming experience. Private and Semi Private swim lessons are available during every session. Exact times will depend on instructor availability, but every effort will be made to try to accommodate you in a session at the time you request.

Private lessons are not available for Leadership Certifications. Full payment is required when registering. Minimum of 6 lessons may be booked. Preference is given to those booking 10 lessons. Participants must be within 2 swimming levels of each other for semi-private lessons. St. Clair College does not match participants for semi-private lessons.

Only private lesson participants that have given advanced notice of illness will receive a credit towards a "make up" lesson. Supporting documentation may be required. A maximum of 2 credits per session will be awarded. Credits must be used up prior to the end of the College's fiscal year (The fiscal year is April – March).
