Private Lessons

Private lessons are designed for individuals who would like to have a more private and individualized swimming experience. Private and Semi Private swim lessons will be available during every session. Exact times will depend on instructor availability, but every effort will be made to try to accommodate you in a session at the time you request.

Private lessons are not available for Leadership Certifications. Full payment is required when registering. Minimum of 6 lessons may be booked. Preference is given to those booking 10 lessons. Participants must be within 2 swimming levels of each other for semi-private lessons. St. Clair College does not match participants for semi-private lessons.

Please notify the aquatics office in advance if a lesson is going to be missed. Only missed lessons that have been given advanced notification will be given a credit or a "make up" session. Semi Private lessons with a 1:2, 1:3 and 1:4 Instructor to Student ratio will only receive credits if all the students are absent. No individual credits will be given if other students are still in attendance.
