Must be in financial need

Must be a resident of Ontario

Must be an active member of the St. Clair College Concrete Club and be nominated by a current Concrete Canoe Club member

Crescent Tool & Die Ltd. Scholarship

Must be in financial need

Must be a resident of Ontario

Must be enrolled full time in any program under the School of Engineering Technologies

Dillon Consulting Scholarship

Must be in financial need

Must have a grade point average of 3.0

Must be enrolled full time in a Engineering Technology, Architecture, Civil or Construction program

Must demonstrate extra curricular or vounteer work

Dorothy & Leonard Neal Scholarship

Must be in financial need

Must be a resident of Ontario

Must be enrolled full time in the Mechanical Engineering or Industrial program

Dr. Gaston Franklyn Scholarship

Must be in financial need

Must be a resident of Ontario

Must be enrolled full time in any program under the School of Engineering Technologies

Must be a female or minority student

Must demonstrate involvement in the Community or Athletic involvement

Electromac Ltd. Scholarship

Must be in financial need

Must be a resident of Ontario

Must be enrolled full time in the Tool & Die program

Electrozad Foundation Scholarship

Must be in financial need

Must be a resident of Ontario

Must have a grade point average of 4.0

Must be a 1st or 2nd year student enrolled full time in the Electronics program

Enwin Utilities Scholarship

Must have a grade point average of 3.0 or higher

Must be a 2nd or 3rd year student enrolled full time in the Electronics Program

Ford Trade School Alumni Scholarship

Must be in financial need
Must be a resident of Ontario
Must have a grade point average of 3.0 or higher
Must be enrolled full time in the Mechanical program

Fred and Mary Kirachuk Scholarship

Must be in financial need
Must be a resident of Ontario
Must be a 2nd year student enrolled full time in a Business program or any program under the School of Engineering Technologies

G. W. Anglin Manufacturing Ltd. Scholarship

Must be in financial need
Must be a resident of Ontario
Must be enrolled full time in any program under the School of Engineering Technologies

General Motors of Canada Limited Scholarship

Must be in financial need
Must be a resident of Ontario
Must be enrolled full time in any program under the School of Engineering Technologies

Haller Mechanical Scholarship

Must be in financial need
Must be a resident of Ontario
Must have a grade point average of 3.0 or higher
Must be a 2nd year student enrolled full time in the Mechanical Engineering program

International Truck & Engine Ltd. Scholarship

Must be in financial need
Must be a resident of Ontario
Must be enrolled full time in any program under the School of Engineering Technologies

James LeBoeuf Scholarship

Must be in financial need
Must be a resident of Ontario
Must be enrolled full time in a Manufacturing program

Joseph Strong Scholarship

Must be enrolled full time in the Chemical Laboratory Technology program

Kautex Textron Scholarship

Must be in financial need
Must be a resident of Ontario
Must be enrolled full time in a Manufacturing program

Ken Darroch Scholarship

Must be a 3rd year student enrolled full time in the Chemical Laboratory Technology program

Ken Peltier Memorial Scholarship

Must be in financial need

Must be a resident of Ontario
