

Partnership with FITT for International Business and International Trade Management Programs

St. Clair College has partnered with FITT to offer the FITTskills program. FITT (Forum for International Trade Training) is an international trade training and professional certification body. As the only organization of its kind in the world, FITT sets the standards and designs the training programs leading to the Certified International Trade Professional (CITP) designation. FITT's quality training programs impart knowledge and practical skills that provide a competitive advantage to trade practitioners while elevating their position in world markets.

FITTskills Program

FITTskills is a highly practical, hands-on series of courses that focus on the fundamental aspects of international business. Students may register for these courses as part of St. Clair College's **International Business** and **International Trade Management** programs. Upon successful completion of six (6) FITTskills accredited courses and two (2) FITTskills assessments, students will be able to [transfer](#) their credits to FITT and receive a FITT Diploma in International Trade. This diploma fulfills the educational requirement of the CITP designation.

The CITP Designation:

The CITP designation is earned by obtaining the FITT diploma and meeting standards and requirements set by FITT. These requirements are:

- Complete the educational requirement by achieving the FITT diploma;
- Complete or prove a minimum of one year, full-time, international trade work experience;
- Agree to the Standards of Ethical Conduct;
- Pay the annual dues and maintain the membership in good standing; and
- Engage in ongoing professional development.
