REGISTRATION PROCEDURES

FEE PAYMENT FOR NEW AND RETURNING STUDENTS

Your student invoice outlines your current account summary. If you have not already paid your Fall fees in full, the remainder of your fees are due by August 5th, 2022. We cannot guarantee that a position will be held for you if you do not pay the balance of your fees by the deadline date.

If you are going to pay your full year’s tuition, please remit payment by the due date, to the College using one of the payment methods mentioned below.

If you have applied for OSAP, the balance of your tuition is due upon receipt of your OSAP funds. OSAP should automatically redirect proceeds towards your tuition. If, by chance, this did not occur, it is the student’s responsibility to ensure tuition is paid in full by the end of each semester. For further information, please speak with a representative in our Financial Aid Department.

If you are being sponsored by WSIB, DIA, MCSS, etc. please complete an Agency Sponsor form and return it to the College. In order to process your registration, we must have a sponsorship letter from your sponsoring agency on file at the College as well as the signed Agency Sponsor form from you.

PAYMENT METHODS

We encourage you to pay for your tuition using one of the following methods:

Through your bank: fees can be paid through all major Financial Institutions using either online or telephone banking. You will need to set up ‘St. Clair College’ as a payee, the account number is your 7 digit student ID if they require 8 digits add an extra (0) at the front making it 8 digits. Please allow 3 business days from the date of payment to show on your student account.

International Payment Options: Overseas payments should be made online using our online payments platforms Flywire and WU® GlobalPay for Students.

You can pay online or by bank transfer in the currency of your choice. Click here for more information

Please Note: St. Clair College no longer accepts credit cards as a form of payment for tuition. We encourage students to pay using online banking through their financial institution.

CHOOSING AN ELECTIVE

Should you need to choose an elective (i.e. ELEC appears on your course list). Please use the elective listing and register for your elective on your SIS - mySt.Clair portal. Elective information will be released to students the week of August 15th for the Fall semester and can be found at https://www.stclaircollege.ca/registrars-office/electives
**COMPLETING THE ACADEMIC INTEGRITY TUTORIAL**

Starting in the Winter Semester of 2022, all students registered at St. Clair College will be required to complete an Academic Integrity Tutorial called "Learn It To Earn It" prior to the start of classes.

**What is the Academic Integrity Tutorial?**

The Tutorial, Learn It To Earn It, is designed to help students understand the importance of academic integrity at St. Clair College and avoid academic misconduct.

More information can be found here - [Tutorial: Learn It To Earn It | St. Clair College (stclaircollege.ca)](stclaircollege.ca)

Please Note: The College reserves the right to change, amend or alter fees as necessary without notice or prejudice. Program Annual Tuition Fees may increase each academic cycle (Commencing September).

TUITION FEES

1. Students enrolled in programs longer than two semesters per year will pay additional fees.
2. Health Insurance fees are pro-rated according to program start date.
3. A list of fee descriptions and program applicable material fees are available on the College website. Click Here for more information.
4. Optional fees, such as lockers and parking, books, and deposit/deferrals are not shown.

FEE PENALTIES

- Full time students who have not registered and paid fees by the registration deadline indicated on their registration letter for the Fall 2022 semester, may be allowed to pay their fees and register if there is still room in the program.
- Notification of outstanding tuition fees will begin approximately 30 days after the beginning of each new semester. Academic results and graduation certificates/diplomas will be withheld if you have outstanding tuition fees.
- You may not re-register if you have an outstanding debt with the College.
- We cannot guarantee your place in the program or course if payment or financial arrangements are not made at the time of registration.

TOTAL CONTACT HOURS and YOUR TUITION

If you register in courses that bring your total contact hours above the normal contact hours of your program for a semester, you will be subject to an additional fee. Domestic students will be charged at the rate of $6.11 per additional contact hour and International students at the rate of $25.00 per additional contact hour. If you register in deregulated program courses, you will also be subject to an increased additional fee per additional contact hour (varies by program).

PART TIME STATUS

To be assessed as a part time student, you must be registered for less than 66 2/3% of the suggested courses for your semester and 70% of the hours associated with your semester registration.

WITHDRAWAL FROM YOUR PROGRAM

Should you decide to withdraw from the College, it is your responsibility to complete an official College Withdrawal Form and submit it to the Registrar’s Office by the deadline date. * Non-attendance does not mean “withdrawal”. (* Deadline dates are posted on the Registrar’s Office website). You can find the form here: Request to Withdraw | St. Clair College (stclaircollege.ca)

If you fail to complete an official College Withdrawal Form and submit it to the Registrar’s Office, you will be liable to the College for any and all outstanding fees for which you have been assessed and have not paid for the semester in which the
withdrawal occurs (see Receiving a Refund). An encumbrance may be placed against your record should you fail to follow the official withdrawal procedures.

Students who are not granted Ontario Student Assistance Program (OSAP) funds or who have a fee deferral deposit on file with the College, should take special note of the paragraph above. Please be sure to complete a College Withdrawal Form regardless of when you find it necessary to leave during the semester. A College Withdrawal Form will be mailed to you if requested by phone. However, the telephone contact does not make the withdrawal official. Only a receipt by the Registrar’s Office of a completed, signed Withdrawal Form makes the withdrawal official. Request to Withdraw | St. Clair College (stclaircollege.ca)

For International withdrawals, please follow link: Withdrawal and Refund Policy | St. Clair College (stclaircollege.ca)

RECEIVING A REFUND

You will receive a refund for all but $100.00 ($2,500 for International and U.S.A. Students) of a semester's tuition if your withdrawal is received by the Registrar's Office up to and including the tenth day of classes in the semester. If you fail to withdraw during this period, you will be liable for any and all tuition assessed for the semester.

If you withdraw from the College after the tenth day of classes in any semester, you will be refunded only that portion of fees which has been paid for future semesters (see Important dates to Remember for deadline dates).

If you would like a refund for a credit on your account you can do this in your SIS – Self Service – Campus Finances – Request a Refund. Instructions can be found online. https://www.stclaircollege.ca/sites/default/files/inline-files/Students-How-to-Request-a-Refund.pdf

IMPORTANT THINGS TO KNOW -
Academic

DROPPING or ADDING A COURSE

You must contact the Registrar’s Office if you wish to add a course(s) or withdraw from a course(s).

You may “add” courses during the first 10 (ten) days from the start of classes.

Students who “drop” courses during the first 10 (ten) days from the start of classes, will not have these classes recorded on their transcripts. In addition, dropping classes at this time could affect fees and student full time status. If you have questions, please ask the Registrar’s Office for further clarification before dropping classes.

As of day 11 (eleven) of class you may “drop” courses within the first two-thirds (2/3) of a given semester. If you drop courses during this time period you will notice that “DROPPED”, “DROP”, or “DR” will appear on your record.

You may be permitted to drop a course(s) after the “drop” period, excluding the last week of any semester, with the permission of the academic Chair. Grades of Withdraw/Passing (WP) or Withdraw/Failing (WF) will be assigned by the instructor(s) based on your performance at the time of withdrawal. It is your responsibility to complete the paperwork for the assignment of a ‘WP’ or ‘WF’. While ‘WF’ is calculated in the Grade Point Average for the semester, ‘WP’ is not. (see Important dates to Remember for deadline dates).

IMPORTANT:

- NO REFUND will be given for courses dropped after the first 10 days of classes or for Advanced Standing requested after the first 10 days of classes.
• NO COURSE(S) CAN BE ADDED after the first 10 days of classes in any semester.

• NO COURSE(S) CAN BE DROPPED during the last week of any semester.

*PLEASE NOTE: If adding a course(s) brings your course contact hours above the program maximum hours, additional fees will be assessed (see Total Contact Hours and Your Tuition).

It is your responsibility to ensure that your Account Summary matches the timetable that you are following. For example, if after registering, any changes in courses or sections occur in your program, you must see the Registrar’s Office to correct your registration. Please remember, that if you remain registered in a course you are not taking, an “F” grade will automatically be assigned to that course on your grade report and your transcript. If you take a course which is not listed on your registration, you will not receive credit for the work you have done in that course.

CREDIT TRANSFER INFORMATION

Credit Transfers can be applied for by students who wish to obtain the transfer of previously acquired academic credit(s) towards a St. Clair College course in a program in which the student is currently registered or plans to be registered in the near future. These previously acquired academic credits may have been taken at another post-secondary educational institution (external academic credit) or may have been taken as part of a different program offered at St. Clair College (internal academic credit). All transfers of academic credit (both internal and external) will be recorded on the St. Clair academic transcript as ‘AS’ (advanced standing) and will not be calculated in the GPA for the program in which the transfer of academic credit was granted. (College Policy #1.6.9) In order for your credit transfer application to be reviewed, the following are required: 1. There is a $25 fee per course evaluation, up to $100 maximum per submission. 2. A minimum of 23 hours of instruction are required to be equivalent to a 2.0 credit course, 38 hours of instruction for 3.0 credit course and 53 hours of instruction for a 4.0 credit course. 3. A minimum grade of C or 60% for non-degree programs is required in the previous course to be eligible for credit transfer. For Degree programs, a grade of B or 70% is required. 4. A completed Request for Transfer of Academic Credit form. 5. Official, unopened transcript from the institution you previously attended. 6. Course outlines for the courses you have previously taken that are being used for this transfer. Please note: Refunds will NOT be issued for requests not approved. Requests that do not meet the above requirements will not be reviewed.

Instructions for requesting a Credit Transfer can be found online. [https://www.stclaircollege.ca/sites/default/files/inline-files/Credit-Transfer-Information-Instructions.pdf](https://www.stclaircollege.ca/sites/default/files/inline-files/Credit-Transfer-Information-Instructions.pdf)

The Credit Transfer Request form can be found online: [https://www.stclaircollege.ca/sites/default/files/inline-files/forms/credit-transfer-request.pdf](https://www.stclaircollege.ca/sites/default/files/inline-files/forms/credit-transfer-request.pdf)

ACADEMIC STANDING

To be academically eligible to graduate from a program at St. Clair College a student must pass all required courses and achieve a 2.00 Grade Point Average in the courses related to that program. In cases of sub-standard performance, students will receive one of the following standings: academic warning, academic probation, or academic dismissal.

A student on academic warning or probation may be required to successfully complete failed courses before proceeding in the program.

Provisions of this policy may not apply to certain programs. Any other exceptions to the regular policy for academic standing will appear in the program descriptions in the current issue of the handbook.

Students needing academic advising to assist with mapping out a path to graduation after a dismissal or being unsuccessful in a course can contact the Student Retention and Academic Advising department for assistance at [academicadvising@stclaircollege.ca](mailto:academicadvising@stclaircollege.ca)
**Academic Standing: Good**

A student will receive academic good standing at the end of a semester when the student has successfully completed all courses and received a Grade Point Average of 2.00 or greater.

**Academic Standing: Warning**

A student will receive an academic warning at the end of a semester if the student has failed 1 to 15% of the program credit hours.

**Academic Standing: Probation**

A student will be placed on academic probation at the end of a semester if the semester Grade Point Average falls below 2.00 or if the student fails 16 to 32% of the credit hours.

**Academic Standing: Dismissal Mode (Dismissal 1, Dismissal 2, Dismissal 3)**

A student will receive an academic "dismissal" if he/she:

1. Fails 3 or more courses, or
2. Fails 33% or more of the program credit hours, or
3. Any student that has been previously placed on probation and their next consecutive semester calculates a 2nd probation, the student will automatically be placed on a 1st Dismissal, or
4. Fails the same course twice.
5. Is on probation following re-admission to a program and fails to achieve a semester Grade Point Average of 2.00 by the next evaluation period.

**READMISSION POLICY**

Students who receive an initial dismissal from a program must apply for re-admission through the Student Information System. [https://www.stclaircollege.ca/sites/default/files/inline-files/readmission-request-dismissed-students.pdf](https://www.stclaircollege.ca/sites/default/files/inline-files/readmission-request-dismissed-students.pdf)

For students who have received a Dismissal Notice from St. Clair College, the Registrar’s Office sends a Dismissal Letter and included are instructions for next steps should a student wish to be considered for re-admission based on College policies and procedures.

Students who are re-admitted in accordance with above, will be placed on probation and must achieve a semester Grade Point Average of 2.00 by the next evaluation period. If a student fails to meet such requirements, the student will be dismissed (2nd dismissal) and will not be eligible for re-admission into that program without approval from the Program Chair. If denied, the student will not be eligible for a return to that program under any conditions for a period of two years from the start of the semester from which the student was dismissed. Students whose requests are denied by the Program Chair will be allowed the opportunity to choose a new program of study.

A student who has been dismissed three times from any post-secondary program at St. Clair will not be eligible to enroll in another full time St. Clair College post-secondary program for a period of two years from the start of the semester from which the student was dismissed.

Students needing academic advising to assist with mapping out a path to graduation after a dismissal or being unsuccessful in a course can contact the Student Retention and Academic Advising department for assistance at academicadvising@stclaircollege.ca
PROGRAM PROGRESSION AND GRADUATION REQUIREMENTS

Students enrolled in St. Clair College academic programs of study are required to successfully complete all program requirements in the applicable program of study in order to graduate with an approved St. Clair College Ontario College Credential.

Progression through the Program of Study is dependent upon successful completion of courses, including course prerequisites and concurrent registration in course co-requisites. Where courses are assigned to academic achievement levels, progress from one level to the next is dependent upon meeting program progression criteria.

Graduation from the program is dependent upon:

a. Successful completion of all course requirements of the Program of Study version,

b. Fulfillment of the twenty-five percent (25% of the normative hours of the program) residency requirement, or as required by an accrediting body.

c. Good standing in the College.

d. Meeting minimum GPA requirement as determined by the respective Program of Study and College Policy.

Upon graduation from a program, the student’s academic record remains permanent, including the cumulative Grade Point Average (GPA).

Students can check their eligibility for graduation at any time through their SIS at any time.

EXAMINATION POLICY

A student who is unable to write an examination at the scheduled time must notify the faculty, in writing with supporting documentation as soon as the examination conflict becomes known to them. Deferral of an examination will be considered for the following circumstances: Religious Grounds, Medical Grounds and Compassionate Grounds or Extenuating Circumstances. Vacations and sports practices are not suitable grounds for deferred examination. Supporting documentation must be provided along with the request (death certificate etc.). Failure to notify faculty of issue pertaining to deferral in a timely manner constitutes grounds to reject the request.

GRADE RETRIEVAL .... How to Get Your Grades

You will need your St. Clair College user name and password to retrieve your grades on-line through our self-service website https://campus.stclaircollege.ca

Grade release date for Fall 2022 will be December 23, 2022.

ACADEMIC GRADE REVIEW POLICY

If a student wishes to have a final grade reassessed, it is suggested that the student address the concern with the faculty member who conferred the grade. However, in the event an official grade appeal is required, the following two levels of formal appeal are available.

Step 1
Appeal the final grade by filing an official Grade Appeal Application with the Registrar’s Office within ten (10) college business days following the release of grades. The student will complete Part A and B of the Notice of Grade Appeal. The Academic Chair will conduct a first level inquiry and attempt to secure a mediated resolution within eight (8) college business days.

Step 2
In the event the Chair has not been able to mediate a resolution of your grade appeal, or if the timeline (8 college business days) has passed without a resolution, complete Part C of the Notice of Grade Appeal and file with the Registrar’s Office in order to refer the appeal to the College Appeal Panel. The Appeal Panel makes every effort to hold a hearing within ten (10) college business days. The Institutional Lead, Program Degree and Accountability, will communicate the decision to the student within two (2) college business days.

A $25.00 fee per course must accompany the application. This fee will be refunded if the review is upheld.

NOTE: Time limits are expressed in college business days. Students' Guide to Grade Appeals, Grade Appeal Policy and Notice of Grade Appeal Form are all available by the links provided to our website and also available at the Registrar’s Office.

Statistics Canada is the national statistical agency. As such, Statistics Canada carries out hundreds of surveys each year on a wide range of matter, including education.

It is essential to be able to follow students across time and institutions to understand, for example, the factors affecting enrolment demand at Post Secondary institutions. The increased emphasis on accountability for public investment means that it is also important to understand 'outcomes'. In order to carry out such studies, Statistics Canada asks all colleges and universities to provide data on students and graduates. Institutions collect and provide to Statistics Canada student identification information (student’s name, student ID number, Social Insurance Number), student contact information (address and telephone number), student demographic characteristics, enrolment information, previous education, and labour force activity.

The Federal Statistics Act provides the legal authority for Statistics Canada to obtain access to personal information held by educational institutions. The information may be used only for statistical purposes, and the confidentiality provisions of the Statistics Act prevent the information from being released in any way that would identify a student.

Students who do not wish to have their information used are able to ask Statistics Canada to remove their identification and contact information from the national database.
