

N95 MASK FIT TESTING

Register for a course date through the Registrar's Office. Once registered, please contact Continuing Education to schedule your 15 minute appointment. Windsor Students can schedule a time in room 161 at the main campus or call: 519-972-2727 x 2711. Chatham Students please call: 519-354-9100 x 2711 to schedule your appointment time.

IMPORTANT TEST DAY INSTRUCTIONS

Do not consume anything by mouth (except water) 15 minutes prior to the FIT testing.

This includes gum or candy.

Do not smoke 15 minutes prior to the FIT test.

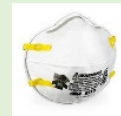

Participant's face and neck must be clean shaven.

If you take any medications for asthma, please bring them to your appointment.

Be prepared to complete a medical review by the tester.

Room information will be posted in the main lobby on your test date.

*If the above guidelines have not been followed, we may ask you to reschedule your fit test.

N95 MASK FIT TESTING HSC 133N

In light of the outbreak of SARS in 2004, respirator use and proper fit is mandatory for all health care providers. Students are required to be N95 mask FIT tested *every two years*. Cards will be issued at the conclusion of testing. **\$35.00**.

Please go to the following link for registration forms and available dates.
