

Sexual Violence Prevention Committee

Minutes: June 20, 2023

1. Introductions

- Brianna Brown, Community Advisor, St. Clair College Residence introduced herself to the SVP committee.

2. Previous Minutes approved

3. Actions

- BITB training with student leaders (i.e., TSI, SRC, SSAA, tutors) was offered virtually on June 13th and provided certification to 23 individuals. Those who were unable to attend due to previously determined commitments will be prioritized for October. The training will also be opened to RA's for all three residences. Rudri discussed the St. Clair College prosocial bystander initiative inviting students and staff who have taken the training to have a photo taken holding a sign with positive bystander messaging for a cross-campus poster campaign.
- Moose Hide Campaign Day was a success and will be expanded on across our campuses for 2024. Staff and students were invited to gather around the pond, walk around the south campus buildings, and the event wrapped up with ceremonial drumming and comments by guest speaker Gordon Sands.
- HealthBot update provided by Katie indicating that vending machines have been ordered for the college and will be delivered this summer.
- Staff/Student Training (Consent & Bill-26) rough draft has been finalized and will be sent to Rebecca by end of week for presentation to SOG. Committee walked through training with Irene's guidance and were able to provide feedback and ask questions. Committee members were invited to provide their feedback in the comment section of the training for Alex and Irene to review the following day.
- Alex invited committee to bring orientation week ideas to next meeting.
- Move in week at Q Hall to be supported by Paula and Rudri with tabling hours; date tbd.
