

Retroderm Medical Aesthetics Inc. is seeking the following professionals to function as independent contractors within our clinic:

Certified Medical Aestheticians

Laser Technicians

Eyelash Technicians

Permanent Makeup Artists

Our current team includes two Nurse Practitioners offering medical aesthetic services and one Registered Nurse offering microblading services. All are growing businesses so our aim is to cross-promote, refer and support within the team to achieve collective growth and development.

Our clinic is located at the Lakeshore Med Arts building on the west side of Belle River and is situated in a booming residential community of young families. Each room offers approximately 130 square feet of space that includes storage cabinets, sink space, desk space and a motorized exam table if desired. Client and staff washroom located within the clinic. Cleaning and high-speed internet services are included in lease rates.

If interested, please contact Hali Sitarz at 519-995-7145 or info@retroderm.com
