

Freedom of Speech Annual Report

Section A: Institutional Policy

Has your institution amended its Free Speech Policy (or policy framework) since the time of your 2024 report? If so, please explain the reason for the change and provide the link to its location on your institutional website.

Other than minor updates to correct position titles due to an internal reorganization, St. Clair College has not changed the content of its Free Speech Policy since the 2024 report.

Where are the members of the institutional community (or guests) directed when there is a free speech-related question or complaint about an event on campus? Please provide contact information.

What is your institution's policy on holding events where there are security concerns? To your knowledge, were there any instances where a non-curricular event did not proceed due to security concerns or their related costs?

When a request is made to the College, the event details are presented to the Senior Operations Group for review and discussion. Any requirements regarding security would also be discussed with the Associate Vice President, Safety, Security and Facilities Management. A review of security needs and costs for an event would be forwarded to Senior Administration for approval.

There have not been any circumstances where a non-curricular event did not proceed due to security concerns or their related costs.
