

St. Clair College 56th Annual Spring Convocation

Session 2 – Tuesday, June 6th, 2023 @ 3:00pm – WFCU Centre

School of Engineering Technologies

- Architectural Technology
- Autism and Behavioural Science
- Biomedical Engineering Technology - Equipment and Devices
- Chemical Laboratory Technology
- Civil Engineering Technology
- Construction Engineering Technician
- Construction Project Management
- Electromechanical Engineering Technician – Robotics
- Interior Design
- Mechanical Engineering Technology – Automotive Product Design
- Power Engineering Technician

School of Skilled Trades and Apprenticeships

Apprenticeships

- Automotive Service Technician
- Electrician Construction Maintenance
- General Machinist
- Hairstylist
- Industrial Electrician
- Industrial Mechanical Millwright
- Plumber
- Pre-Apprentice – Truck, Coach and Heavy Equipment Repair
- Pre-Apprentice CNC Industrial Mechanical Millwright
- Tool and Die Maker
- Truck and Coach Technician

Skilled Trades

- Carpentry and Renovation Techniques
- Electrical Techniques
- Heating, Refrigeration & Air Conditioning Technician
- Landscape Horticulture
- Mechanical Engineering Technician – Industrial
- Mechanical Technician - CAD/CAM
- Mechanical Techniques – Precision Metal Cutting
- Motive Power Technician
- Plumbing Techniques
- Welding Techniques

- Woodworking Technician
