

Campus Access Instructions

Vaccine Policy – Upload vaccine selection on SIS

<https://www.stclaircollege.ca/sites/default/files/inline-files/covid/vaccination-status-entry-instructions.pdf>

Rapid Test Result (if you select 2-5 on your vaccine selection on SIS)

You need to continue to rapid test within 72 hours of accessing campus. You can upload your results starting on Monday, September 6.

You then need to attest to your rapid test result on SIS.

<https://www.stclaircollege.ca/sites/default/files/inline-files/covid/sis-rapid-test-instructions.pdf>

If you make your selection while on campus, you can go to the rapid testing tent in L lot (7:30am-6pm) at the South Windsor campus and/or pick up a rapid testing kit at the South Windsor Campus or Chatham Campus (8am-6pm Sept. 7-10). You will need to rapid test continually, 72 hours before coming on campus until fully vaccinated (14 days past your second does).

Daily COVID Questionnaire

ONLY once the above is complete will you have access to the daily campus screening COVID-19 Questionnaire.

<https://www.stclaircollege.ca/sites/default/files/inline-files/covid/sis-daily-covid-questionnaire.pdf>

You need to show your “Granted Access” email to enter campus. After week 1, Faculty will help to monitor on their class roster, Safety Ambassadors will perform random checks, asking to see your “Granted Access” email.

If you cannot present your “Granted Access” email, you will be asked to leave campus. A second offence will result in an interim suspension pending investigation.
