MEDICAL AND NONMEDICAL REQUIREMENTS FOR CLINICAL PLACEMENT

Clinical begins the first week back in Year Two of the Practical Nursing Program and clinical clearance is required before any student can attend the clinical setting. There are medical and non-medical requirements that must be met. Please refer to the [Clinical Placement Requirements](#) website under the Practical Nursing (H863/K963) link for detailed information. Your requirements will be clearly explained there as well as the process to electronically submit your documents for clearance. This process may take weeks to complete so please begin promptly.

It is important for students to have access to the required textbooks for each course to ensure success in each course. The Elsevier Clinical Learning Suite will continue to be utilized in your courses.
