GETTING STARTED – ORIENTATION:

- The date and time for your orientation will be sent (or posted on the college website) to you from the Registrar's Department.
- Information can also be found at the following link:
<https://www.stclaircollege.ca/studentservices/orientation>
- At your orientation, you will receive very important information about your program, and you will meet the professors in the program.
- Attendance at orientation is **highly recommended** as we will provide an overview of the program and discuss topics such as schedules, expectations, and a “To do” list. This usually helps to alleviate the anxiety that you may be experiencing about attending college and a new program.

FREQUENTLY ASKED QUESTIONS:

- “Can I apply for a transfer credit?” ◦ If you would like to request advanced standing for a previously completed course to be applied towards a course in your Personal Support Worker program, go to this link for the Registrar’s Office and look down the right-hand column for the information on how to do it. You will require a sealed official transcript from your previous school and a course outline from the course you would like considered for the transfer credit. You must have achieved at least a 60% in a previous course to have it considered. Until the transfer credit has been granted, you should continue to attend all classes as scheduled. You will be notified by student email regarding the decision of your transfer credit. <https://www.stclaircollege.ca/registrars-office>
- “How do I drop or add a course?” ◦ If you have previously taken the same class for example, PSW117 at St. Clair College and are satisfied with the mark you achieved, you may wish to drop the class. Note that when you drop a course you may remain in full-time status (based on course credits), therefore, there may be no refund provided. Contact the Registrar’s office for more information, <https://www.stclaircollege.ca/registrars-office>

- “Do I need access to the internet?” ○ Yes, you will require access to the internet especially if you plan to complete schoolwork, study, and do research at home. Internet access is available to all students in the library and the computer lab in the main building as an option.
- “Do I need an email address?” ○ YES!! All students are to use their St. Clair College email address for all correspondence from within the college and from home. Faculty cannot respond to personal email accounts due to the risk of breach of confidentiality.

COMMUNICATING WITH FACULTY:

- Email communication is the preferred method of contacting faculty. Faculty email addresses can be found under each course on Blackboard under “staff information”. Faculty will attempt to respond within 24 hours during business hours. Emails sent after hours or on weekends will be read and responded to as soon as possible during working hours. Please address your faculty as “Professor” and/or “Doctor” (as appropriate) in all verbal and written communication.
- When writing emails, the following etiquette must be followed: ○ Specific subject line ○ Proper salutation, for example, “Hello Professor...” ○ Do not use text message forms of communication i.e. “ttyl”, “u”, etc.
 - Always include your first and last name and student number

ACADEMIC PERFORMANCE:

- Students must maintain a grade point average (GPA) above 2.0 (60%) to graduate from the Personal Support Worker Program at St. Clair College. Students are not eligible to advance to the next semester if they are unsuccessful in a course that is a prerequisite for the following semester.

ATTENDANCE:

- Regular class attendance is essential for a successful progression through the PSW program. The PSW program is a full-time program that requires your participation in classroom lectures/activities, and in the clinical/laboratory setting. Missed time is only acceptable for illness or emergency reasons.
- Please note that this is a full-time program, and students are expected to be available Monday-Friday. Clinical hours may include both day and afternoon shifts, depending on clinical placements. **Work, vacations, or routine appointments are not considered valid reasons for absences.** In preparation for the Winter semester, consider a “back up plan” for childcare in the case of children’s illness.

TIPS FOR SUCCESS:

- **Complete “THRIVES modules prior to Starting school. What is THRIVES?**
- THRIVES is an extended orientation to the college – to the culture and the expectations the college has of our students and to information about services and support. THRIVES also highlights tips and techniques students can use to be more successful in their studies and advice on how to maintain good mental and physical health. Information is presented to you in 12 modules through short readings, videos, and interactive self-check exercises.
<https://www.stclaircollege.ca/thrives>
- Attend all your classes. Students are directed to complete readings prior to class! There are multiple strategies to discuss content or issues. Your instructors will identify and post preferences. Check the Blackboard site at least twice a day.
- Be professional. Appropriate communication with Faculty, Laboratory Technicians, Peer Tutors, and classmates will demonstrate your interest and aspiration to be a professional.
- There are multiple on- site/ virtual/ resources such as the Student Success Centre, Library Services, Tutor Services, and the Nursing Lab. When booking times, please book in advance and cancel if you cannot attend so that someone else may book the time slot.

We are all looking forward to meeting and working with you!
