

Quick Admit

In-Person Applicant Check List

Things you need to do:

- Check the Open Program List; to determine what programs are currently available, you can view open programs by selecting the “Open” in the Program Status filters on the right-hand side of the page.
 - Check the program admission criteria listed on the program page to determine if you meet the specific admission criteria. <https://www.stclaircollege.ca/programs>
 - Complete the St. Clair College application form.

- Note:** If you are being sponsored, please provide the supporting documentation. (i.e. Sponsor Letter)
- Provide Academic Transcripts (High School, University, College)
 - Bring all completed paperwork in person to the Registrar’s office in Windsor.

If you’re not able to come in person or don’t have your Highschool Transcript, applying online at ontariocolleges.ca is just as fast. You can have your Highschool Transcripts sent to us electronically by applying online because most staff at the high schools are still on summer vacation.

Programs are now filling on a first-come, first-served basis and could change quickly.

All of the above must be completed before you can be registered.
