

English Proficiency Tests

If it appears that your English grades do not meet the minimum admission requirement for a program, or you have not graduated from high school, you may be offered the opportunity to take an admission test to potentially qualify for admission to a college program. The test examines English skills that are required for your specific program(s).

If you are required to do an English Proficiency Test, the Registrar's Office will provide you with a coupon code to cover the cost of your test, which is completed online.

Before writing the Duolingo English Proficiency Test please read through the testing guide. <https://englishtest.duolingo.com/guide> You will need to set aside one hour of uninterrupted time to complete the official test.

Once you receive your official results, you will be asked to share them with St. Clair College. For instructions on how to share your results please visit <https://testcenter.zendesk.com/hc/en-us/articles/360010869252>

To complete a practice assessment please visit <https://englishtest.duolingo.com/home> the practice test takes approximately 15 minutes to complete.

If you do not have access to a computer or device to complete this assessment, please email us at englishproficiency@stclaircollege.ca
